Included

### NIJ STANDARD

The manufacturer certifies that this model of autoloading pistol has been tested and found to comply with the requirements of NIJ Standard-0112.03 (Revision A), dated July, 1999

Armornite® finish is a hardened nitride finish that provides: Enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many S&W® and M&P® products imparting a high level of protection internally and externally where applied.
